

### About our Product List

This is a list of products we usually sell. As with all retailers during the Coronavirus outbreak, we do experience difficulties getting hold of some product lines so we will not necessarily have all the lines in this brochure in stock. As a result of these supply shortages we do have to impose purchasing restrictions from time to time (eg at times we have restricted buying to one pack of flour per customer). We review these restrictions daily depending on the available level of stock and our knowledge of the supply chain. Please place your order for what you would ideally like and we will advise as to any restrictions in place at that time which may affect your order. Also, items like our meat from SK Hutchings are only delivered three times a week so we will not always have the full range in every day. We will do our best to help though and will always suggest alternatives where we can.

### Click and Collect Service

Our new click and collect service is available to anyone who would like to place an order with us either by email to [ordersfittleworthstores@outlook.com](mailto:ordersfittleworthstores@outlook.com) or by telephone to 01798 865907.

- Click and collect slots are available Monday – Friday only from 2 – 3pm
- Orders placed before midday will be ready to be collected that day. Orders placed after midday will be ready for collection on the next available day
- Please include your name and telephone number on your order
- We will take payment over the phone for click and collect orders prior to your order being collected. You will be advised of your particular time window for collection (which will be between 2 and 3pm) when we take your payment
- We will fulfil as much of your order as we can. When we telephone you to take payment, we will advise of any items that are unavailable and will suggest suitable alternatives, as appropriate
- Orders will be collected from the Village Hall where one of our volunteers will be on hand to direct you to your boxes of shopping. Our volunteer can, if you need it, provide a helping hand in carrying your shopping to your car. We also have a trolley available for you to use to help transport your shopping to your car if you would like to use it. Please follow the signs and one- way system within the Hall to ensure that social distancing is observed

### Home Delivery Service

Our click and collect service is an additional service provided by us to all who would like to use it. It does not affect our home delivery service which will continue to operate.

Home delivery services are available Monday to Saturday to those who are elderly, self-isolating or ill during the Coronavirus outbreak and to those who live in Fittleworth, the surrounding hamlets of Bedham, Coates, Egdean, Little Bognor, Riverhill and Stopham or who are part of our Stores community.

To check whether you are eligible for home delivery or to place an order you can either email your order to [ordersfittleworthstores@outlook.com](mailto:ordersfittleworthstores@outlook.com) or phone us on 01798 865907.

## A. Food

<b>BREAD</b>
